DIARY OF A DYING MAN is the story of Dylan Anderson, a hard working high school teacher and coach. His life has been dedicated to the improvement of those he comes in contact with in the classroom, on the playing field, and on the wrestling mat. As he reached his 30's, he began to wonder if he'd ever find love.

Today I learned that the Editor-in-Chief of Health Affairs, the leading journal of healthcare policy and the main source of healthcare information for those on Capitol Hill, named three individuals who died in October whose "lives underscore the importance of improving health and healthcare worldwide." One was a Dean of Columbia University's School of Public Health for over 2 decades, one was a ...

Diary of a Dying Mom

The Diary of a Dying Man is a perfect example of the saying that truth is stranger than fiction. In fact, much of what happened to the author is unbelievable. Basically, it's about a survivor, a man who is naively generous to a fault. Despite the traumas his generosity causes, he feels that, in each instance, he did the right thing.
