Grassroots At The Gateway Class

Breaking new ground in the field of Black Freedom Studies, Grassroots at the Gateway reveals how urban black working-class communities, cultures, and institutions propelled the major African American social movements in the period between the Great Depression and the end of the Great Society. Using the city of St. Louis in the border state of Missouri as a case study, author Clarence Lang undermines the notion that a unified "black community" engaged in the push for equality, justice, and ...
