Made In Slums Mathare Nairobi

After the exhibitions on China, Korea and India, the Triennale Design Museum continues its investigation with Made in Slums, the most unexpected areas of new international design. This time the focus is on a small business locality in the Mathare slum in Nairobi, an example of a community that has adapted in order to create its own functional and symbolic tools from the few materials that are available.

Made in Slums - Mathare Nairobi | Milan Museum Guide

Made in Slums is the volume which accompanies the exhibition of the same name at the Triennale Design Museum. The book is about a small local experience - the Mathare slum, Nairobi, regarded as the embodiment of a community's ability to devise its own functional and symbolic tools, developed in an original self production process starting for the little material available locally.

Made In Slums Mathare Nairobi

The Mathare Valley is located in the Eastlands of Nairobi, Kenya. It's the oldest and second largest urban slum in Kenya after Kibera. It covers 157 hectares starting from Pangani, down to Gitathuru river. Pangani borders the west side of Mathare, and a police station sits at its northernmost point. Juja Road, a major road in Nairobi's Eastlands, is what separates Mathare from Eastleigh, another informal settlement south of Mathare.
