Reading Reflection - Academicscope

Learning to read was easy for me because of the quality of teaching I had over me as well as a lot of help from home with my parents and older sibling. The overall support provided a base for me to first learn the basics of reading and writing the language, and since that support made learning easier, I had the time to enjoy reading and writing beyond the lessons from class that were put in ...

1. When evaluating workplace reading tasks compared to personal and academic tasks there are both similarities and differences. The similarities amongst all types of tasks is the ability to read all varieties of tasks workplace related, academic or personal. The purpose when reading all tasks is to gather information that you as the reader did not know prior to reading the task.
