Contrary to the previous review, this autobiography is not a 'boring rant' but is very revealing about Seve's upbringing and his battles with various authorities to sell the great game of golf to his home country and the European tour. The Ryder Cup, especially, would not be what is today without the influence of Seve.

An autobiography is closely related to the nonfiction format known as a memoir, but the two forms are not identical. Most notably, an autobiography is a first person account of its author's entire life. A memoir does not document the memoirist's entire life story but rather a selected era or a specific multi-era journey within that author's life.

The Autobiography of Benjamin Franklin is the traditional name for the unfinished record of his own life written by Benjamin Franklin from 1771 to 1790; however, Franklin himself appears to have called the work his Memoirs. Although it had a tortuous publication history after Franklin's death, this work has become one of the most famous and influential examples of an autobiography ever written.
