Leading at the Intersections: An Introduction to the Intersectional Approach Model for Policy & Social Change was developed and written by C. Nicole Mason, Research Assistant Professor and Executive Director of the Women of Color Policy Network at New York University's Robert F. Wagner Graduate School of Public Service. Edited by Colleen Coffey

INTERSECTIONS

Health Equity in Brazil begins by introducing the readers to Alyne da Silva Pimentel, a 28-year-old Afro-Brazilian woman who died as a result of inadequate medical treatment after delivering a stillborn baby in 2002. Taking an intersectional approach, Caldwell's work expounds on the shortcomings of Brazil's public health care system as the cause of her death, exposing the "gross ...
